60 month	\$ 500	3.928%	4.00%		Monthly	
					Monthly	

*18 month certificates available to Alumni members (age 55+) at the 24 month rate published above.

MEMBER BUSINESS ACCOUNTS DISCLOSURE

Except as specifically described, the following disclosures apply to all business and organizational accounts:

1. Rate Information. The Dividend Rate and Annual Percentage Yield on your accounts are set forth herein. For Business Share Savings Accounts, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Credit Union's Board of Directors. For Business Money Market Accounts the Dividend Rate and APY may change at any time as determined by the Credit Union's Board of Directors. The Business Money

Market is a tiered-rate account. The Dividend Rate and Annual Percentage Yield applicable to the Business Money Market Account depend on the balance ranges set forth herein. Once a balance range is met, the Dividend Rate and Annual Percentage Yield for that range will apply to the full balance of your account. For Certificate accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. A withdrawal of dividends will reduce earnings.

2. Nature of Dividends. For Business Share Savings, and Business Money Market Accounts, dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate and Annual

Percentage Yield set forth herein are accurate as of the Effective Date and is the rate that the credit union anticipates paying for the applicable dividend period.

3. Compounding & Crediting. The Dividend Period is the period of time at the end of which an account earns dividend credit. Dividends for all accounts will be compounded and credited monthly. The Dividend Period for all Business Accounts, except Certificate accounts, begins on the first calendar day (effective date) of the month and ends on the last calendar day (effective date) of the month. The Dividend Period on Certificate accounts begins on the date the Certificate account is opened or rolls over, and ends on the day prior to the maturity date.

4. Accrual of Dividends. For all Business Accounts, dividends will begin to accrue on cash and noncash deposits on the day the credit union receives provisional credit. Dividends will begin to accrue on electronic direct deposits on the calendar day (effective date) we receive the deposit. If you close a Business Share Savings or Business Money Market, Account before accrued dividends are credited, accrued dividends will not be paid.

5. Balance Information. To open any account, you must deposit or already have on deposit at least the par value of one full share in a Business Share Account. The minimum balance required to open each account is set forth herein. For Business Share Savings, Business Money Market and Certificate Accounts, the minimum daily balance required to obtain the stated Annual Percentage Yield is set forth herein. If the minimum balance is not met, you will not earn the stated Annual Percentage Yield. For all Business Accounts, dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day.

6. Certificate Account Features.

a. Account Limitations After your account is opened, you may not make additional deposits. On the crediting date, you may elect to have dividends transferred automatically to your Business Share Savings, Business Money Market or Business Checking Account.

b. Maturity. Your Certificate account will mature on the maturity date set forth on your Account Receipt or Renewal Notice.

c. Early Withdrawal Penalty. We will impose a penalty if you withdraw any of the principal balance before the maturity date.

(1) Amount of Penalty For all Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

- i. Terms of less than twelve (12) months – ninety days (90) days of dividends;
- ii. Terms of twelve (12) to forty-seven (47) months – (180) days of dividends;
- iii. Terms of forty-eight (48) months or more – (365) days of dividends;

(2) How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividend that has been or would be earned on the amount withdrawn. It applies whether or not the dividend has been earned. If the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.

d. Renewal Policy. Certificate Accounts are automatically renewable accounts. Your account will automatically renew for another term upon maturity, and you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. From time to time, the credit union may offer Certificates at special rates or with special features. These “Special Offerings” are renewable as regular Certificates. You may elect not to have your Certificate account renew at any time.

e. Nontransferable/Nonnegotiable. Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation without our prior written consent.

BUSINESS CHECKING ACCOUNT FEATURES

Business Money Market Checking Accounts | Business Cashback Checking

Monthly fee is \$10.00. For the business that generates fewer than 75 transactions per month, there is no per item fee. (Transactions are defined as written checks and cleared/deposited checks) If you generate between 75 and 125 transactions, the cost is \$0.15 per transaction.
